

Linking You to Your Community

The Ontario Early Years Centres provide services that supports all families in Windsor-Essex. The Centres can connect you to local programs and services for children such as:

Child Care

Preschool Speech and Language

Services for Children with Special Needs

Health Services

Recreation Programs

Aboriginal and Francophone Programs

Program Material available in other languages

Family Supports
And much more...

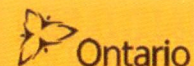

For more information, visit the website at www.ontarioearlyyears.ca or contact 211 or visit www.211WindsorEssex.ca

The programs are offered in play-based environments that focus on literacy for children birth to six years. Early Learning Professionals along with other community partners offer support, parenting information and resources .

You are welcome to:

- Participate free of charge
- Stay, play, read and sing with your child(ren)
- Enjoy a snack together
- Meet other parents, caregivers, Early Learning Professionals and community partners
- Participate in programs for children with varying needs such as preschool speech and language services, parent education, etc.
- Receive information and referrals for various community support services for families

Contact the **Ontario Early Years Centre** you are interested in for the hours of operation or call the **General Information Line (519) 255-5344**

Ontario Early Years Centres

At an Ontario Early Years Centre, parents and caregivers can meet and learn from each other, interact with staff, learn about child development and have fun with their children.

Ontario Early Years Centres

A Place For Parents And Their Children.

Our free programs are in your community and are open to all parents, grandparents and caregivers with young children up to the age of 6 years.
